Bogotá D.C., January 2, 2026. Banco Popular S.A. hereby informs that, by means of Public Deed No. 2647 dated December 19, 2025, executed before Notary Office No. 37 of Bogotá D.C., and registered on January 1, 2026, with the Chambers of Commerce of Bogotá and Cali under registration number 03331828 of Book IX and registration number 1 of Book IX, respectively, the partial spin-off of Fiduciaria Bogotá S.A. ("FiduBogotá"), Fiduciaria de Occidente S.A. ("FiduOccidente") and Fiduciaria Popular S.A. ("FiduPopular") (the "Demerging Companies") in favor of Aval Fiduciaria S.A. ("Aval Fiduciaria") was completed.

Through this transaction, the Demerging Companies, without being dissolved or liquidated, transferred as a whole a portion of their assets represented by the entirety of their fiduciary business operations, including all fiduciary businesses and products under management, collective investment funds, liabilities and assets associated with such activity, as well as the transfer of the contractual positions held by the Demerging Companies in the fiduciary businesses and products they managed in their capacity as trust companies, such that all such assets, liabilities, businesses, products and contractual positions were absorbed by Aval Fiduciaria (the "Spin-off").

The Spin-off had been previously authorized by the Financial Superintendence of Colombia, in the exercise of its legal powers, through Resolution No. 1777 dated September 23, 2025.
